Rates shown reflect base rates on a per member per month basis and do not include the impacts of risk adjustment.

1. For the TANF (Temporary Assistance for Needy Families) population, one rate cell was developed for all members age 55+. For the SSI (Supplemental Security Income) Medicaid Only and Child Welfare populations, one rate cell was developed for all members age 14+.

2. Long-term Care (LTC) Enrollees refer to those MMA enrollees who are also enrolled in the SMMC LTC program. For those whose MMA and LTC services are provided by the same plan, called a comprehensive plan, a factor of 0.9 will be applied to the LTC Dual Eligible and LTC Medicaid Only rates.

3. Serious Mental Illness (SMI) rates apply to Standard Plans and the SMI Specialty Plan.
