Dear Mr. Waters:

Per Florida Statute (F.S.) 409.909(1), "The Statewide Medicaid Residency Program is established to improve the quality of care and access to care for Medicaid recipients, expand graduate medical education on an equitable basis, and increase the supply of highly trained physicians statewide." Your facility has been determined eligible to receive a GME payment distribution in accordance with F.S. 409.909(3) and the general appropriations act for state fiscal year 2021 - 2022.

The enclosed payment and previously disbursed payments represent 75% (rounded) of your annual appropriation of \$190,588 for state fiscal year 2021 - 2022. The procedure used to determine the amount of your payment is shown on the enclosed calculation sheet.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call Ryan Perry of my staff at (850) 412-4132.

Sincerely,
