Please direct questions about Medicaid policies to your local Medicaid area office. The Medicaid area offices' addresses and phone numbers are available on the [Area Offices](#) Web page.

### ALERTS INFORMATION

The Florida Medicaid program has created an e-mail alert system to supplement the present method of receiving Provider Alerts information and to alert registered subscribers of "late-breaking" health care information. An e-mail will be delivered to your mailbox when Medicaid policy clarifications or other health care information is available that is appropriate for your selected area and provider type.

Visit the [Florida Medicaid's Health Care Alerts](#) page to subscribe now. You may unsubscribe or update your subscription at any time by clicking on the "Manage your subscription" icon in the footer of each e-mail. Other questions regarding the e-mail alert system can be sent to the [Florida Medicaid Alerts Administrator](#).
