AHCA Announces the Award of New Contracts for the Statewide Medicaid Managed Care Program

TALLAHASSEE, Fla. – Today, the Agency for Health Care Administration (Agency) announced its intent to award contracts to five (5) health plans as a result of the re-procurement of the Statewide Medicaid Managed Care (SMMC) program. Florida law mandates that SMMC health plans be re-procured every 6 years; this was the second re-procurement. Through a regular, established competitive procurement process, the Agency negotiated and selected health plans to provide Managed Medical Assistance (MMA) and Long-term Care (LTC) services to the more than 3.4 million Floridians enrolled in the SMMC program.

Upon posting the intended awards, the Agency will remain in a blackout period for the next 72 hours. Florida law provides an opportunity for respondents who did not receive an award the option to challenge the result.

All information regarding the Agency's solicitations is posted via the Vendor Information Portal at the following link:

The solicitation number for Statewide Medicaid Managed Care is AHCA ITN 010-22/23.
