

# BACKGROUND SCREENING Application for Exemption

**AUTHORITY:** In accordance with section 435.07, Florida Statutes, persons disqualified from employment <u>may be</u> granted an exemption from disqualification. The granting of an exemption does not change an individual's criminal history. It only provides eligibility for employment in a health care setting.

An individual seeking an exemption must demonstrate by clear and convincing evidence that an exemption from disqualification should be granted. The application will be reviewed and a decision made once the documentation listed below has been received.

A person is *not eligible* to apply for an Exemption from Disqualification until:

- He/she has been lawfully released from confinement, supervision, or other nonmonetary condition imposed by the court for a disqualifying misdemeanor criminal offense;
- At least 2 years after he/she has been lawfully released from confinement, supervision, or other nonmonetary condition imposed by the court for a disqualifying felony criminal offense.
- He/she has completed any court-ordered fee, fine, fund, lien, application, costs of prosecution, trust, or restitution as part of the judgment and sentence for any disqualifying felony or misdemeanor in full.
- A current Level II screening was conducted electronically through the Agency for Health Care Administration or the Care Provider Background Screening Clearinghouse by an approved live scan vendor within six months from the date received by the Agency. (For more information regarding Level II background screenings, please visit: http://ahca.myflorida.com/backgroundscreening.)
- Persons designated as sexual predators, sexual offenders or career offenders are not eligible for an Exemption from Disqualification.
