

METHOD FOR ISSUANCE OF MEDICAID ELIGIBILITY CARDS
TO HOMELESS INDIVIDUALS

Medicaid identification cards will be sent to a mailing address provided by the recipient or to a United States post office for general delivery purposes if the recipient does not provide a mailing address.

Florida is a 1634 state. The mailing address provided by the Social Security Administration through the SDX will be used to determine where the Medicaid identification card for Supplemental Security Income recipients will be mailed.
