**June Monthly Actions: Agency Took Licensure Action against Ten Providers,
Two Additional Providers Terminated from the Medicaid Program**

Tallahassee, Fla. – The Agency for Health Care Administration (Agency) issued final orders to nine providers for failure to meet licensure requirements, one emergency suspension order and immediate moratorium on admissions in June.

There were three final orders to revoke an existing license, five final orders to deny a license renewal and one that resulted in the provider surrendering their license. Some of these providers were enrolled in the Medicaid program and the Agency has terminated or is in the process of terminating their participation in the program.

The Agency also issued an emergency suspension order and immediate moratorium on admissions to Apostolado Home, Inc., an assisted living facility in Miami-Dade County.

In addition, two providers were issued a final order terminating them from participation in the Medicaid program and have been reported to the federal government for placement on the federal exclusion list, which prohibits them from participating in Medicaid and Medicare nationwide.

Agency Medicaid terminations and suspensions typically result from failure to return funds due to the Agency within required timeframes; a charge, indictment, or guilty plea to a health care related crime; suspension, termination, or exclusion from Medicare or Medicaid in another state; or a license denial, revocation, suspension or termination by the licensing agency.
