Appendix II: Employment agency salaries and hours	27

Florida Medicaid Nursing Home Direct and Indirect Care Costs

BACKGROUND

Since 2001 Florida law has required the Agency for Health Care Administration (Agency) to structure its long-term care plan and cost reporting system to reflect both direct and indirect subcomponents of patient care costs used in setting nursing home payment rates. Per Section 409.908(2)(b)4, Florida Statutes:

On July 1 of each year, the agency shall report to the Legislature direct and indirect care costs, including average direct and indirect care costs per resident per facility and direct care and indirect care salaries and benefits per category of staff member per facility.

Nursing homes are paid on a per-day (or per diem) basis. They are paid with historical costs inflated to reimburse current period expenses.

To gather the information needed, the Agency requires providers to submit supplemental information with their cost reports. The box below shows what is included and excluded from this information set.

Included	Excluded
<ul style="list-style-type: none"> • Nurses who deliver direct care to residents • Certified nursing assistants who deliver direct care to residents 	<ul style="list-style-type: none"> • Nursing administration • Minimum data set (MDS) coordinators • Care plan coordinators • Staff development • Staffing coordinator

New nurse staffing ratios went into effect January 1, 2002. Since then the Agency has used the staffing hours information reported by the nursing homes to calculate what is called a “gross up factor.” This factor is applied to reimbursement rates to compensate for the increased staffing. The box below shows staffing level requirements since 2002 on a per-hour/per-day basis.

	Nurses	Certified Nurse Assistants
January 2002	1.0	2.3
January 2003	1.0	2.6
January 2007	1.0	2.7 minimum with a 2.9 weekly average

A 2.9 hour per day requirement was to have gone into effect July 1, 2006. However, the requirement was modified to a minimum of 2.7 hours of direct care per resident per day effective January 1, 2007, with a weekly average requirement of 2.9 hours. A week is defined as Sunday through Saturday.

Florida Medicaid Nursing Home Direct and Indirect Care Costs

REPORT SUMMARY

The 2010 report is based on supplemental data submitted to the Agency for the July 1, 2009, and January 1, 2010, rate-setting periods. Providers submitting actual costs are required to submit supplemental data. Those submitting only estimated costs are not required to submit supplemental data. The supplemental data provided in this report is based on the actual cost reports submitted by the providers. This data is subject to change based on future audits.

The following box shows numbers of providers submitting actual versus estimated costs in the two rate-setting periods.

Rate-Setting Period	Submitted Actual Costs	Submitted Estimated Costs	Total
July 2009	579	63	642
January 2010	588	55	643

Tables 1 and 3 on the following pages reflect the averages of the direct and indirect cost components of the per-day patient care. The averages are based on all active nursing home providers during each rate-setting period. Tables 2 and 4 reflect the averages of the direct and indirect cost components of the per-day patient care based only on providers that are held to a limitation other than actual costs.

Tables 5 and 6 compare the average direct care cost per day to the average cost-based class ceiling for each rate semester. Ceiling rates vary by region of the state and by size of the facility. No facility's per diem rate can be higher than the ceiling for that area. Tables 7 and 8 compare the average indirect care cost per day to the average of the effective indirect class ceiling.

Appendix I shows a breakdown of total staffing salaries, hours, and benefits by provider.

Appendix II shows a breakdown of salaries and hours by provider for staff supplied by employment agencies.

**Florida Medicaid Nursing Home
Direct and Indirect Care Costs**

**Table 1:
Direct patient care costs for all providers**

	January 2009	July 2009	January 2010
Average Medicaid Direct Care Gross Up Per Diem	\$0.2855	\$0.2095	\$0.6528
Average Medicaid Direct Care Cost/Facility	\$1,963,793	\$2,003,274	\$1,986,358
